## One Sessions Offered Boys & Girls

The camp is designed for Little Leaguers who love to play baseball and want to be in an environment where they can improve their skills and have fun doing it. A player's enthusiasm and effort is more important than ability.

All aspects of the game will be covered, including pitching, hitting, fielding, fly balls, bunting, baserunning and a live game every day. Safety balls will be used during camp. We will also work closely with our pitchers.

We also focus on developing a player's overall attitude, confidence, sportsmanship, hustle and ability to deal with the slumps and failures of the game as well as other "intangibles." In addition, we discuss the history of the game.
